If you have any questions, please feel free to contact USA Wrestling’s Department of National Events at the address or telephone number listed below. Unless you are advised otherwise, your contact person at USAW is the Manager of National Events. Thank you for contributing to our quest to be #1 in the World. Good Luck!

GUIDELINES FOR NATIONAL EVENTS

PURPOSE: The purpose of these guidelines is to standardize operations at all USA Wrestling regional and national events with the goals of increasing participation, enhancing value, building event series continuity, and promoting our sport.

RULES: All competition will be governed by FILA rules, with USA Wrestling modifications where applicable. Additional modifications may only be made by the designated USA Wrestling representative on site (“Event Coordinator”).

CONTRACT: The event will be organized by the Local Organizing Committee (“LOC”), with guidance from USA Wrestling. The contract to organize and stage the Event is made between the LOC and USA Wrestling to help insure these events are of the quality USA Wrestling desires. Any questions or concerns regarding contract interpretation should be directed to the Event Coordinator.

PROMOTION: The correct official name of the event shall always be used. This event is sanctioned by USA Wrestling and is part of its National Event Series. USA Wrestling shall be prominently displayed and receive appropriate recognition on all promotional materials.

SCHEDULE: The Event Coordinator must approve any change to/or interpretation of the published schedule.

REGISTRATION: All athletes participating in any competition that is a part of the event shall be afforded an opportunity to register prior to the beginning of any session where there is an admission charge. Late registration due to poor weather or other problems will only be accepted with permission from the Event Coordinator. USAW cards shall be available for purchase at registration. However, USAW Coaches Membership cards may or may not be sold at the event. The State Chairperson must be contacted prior to the event to insure athlete membership cards are available at registration.

WEIGH-INS: (See weigh-in procedures for detailed information)

- Athletes must weigh in wearing a COMPETITION APPROVED SINGLET. One or more weigh-ins may be required. Depending on age group, an athlete competing in two styles may weigh in once for both styles. This is contingent on the athlete actively competing in the first one of two wrestling styles scheduled. Athletes competing in one style must weigh in at the official weigh-in for that style. For Kids, Cadet and Junior levels, all athletes must be present at the beginning of weigh-ins.
• In regional events, states may be afforded the option of registering and weighing-in at a location apart from the event. In such case, all states must be granted similar opportunities.
• Late weigh-ins may only be accepted with permission of the Event Coordinator.

PAIRINGS: Pairings shall be conducted in accordance with FILA rules, with USAW modifications for regional and national championships.

OFFICIALS CLINIC: At regional and national championships, a meeting shall be scheduled prior to the start of the competition where the Head Mat Official can address the coaches and officials as a group, and coaches may ask questions or address concerns to the Head Mat Official or Tournament Director.

UNIFORMS: Complete uniforms, in conformance with the stated rules, shall be required of all contestants. This means red and blue singlets, or red/blue reversible singlet with underbriefs, plus handkerchief shall be required.

OPERATIONS: Official’s blocks and paddles shall be utilized on each mat. An announcer and assistant announcer shall be utilized. Contestants shall be directed by the announcer to report directly to a specific mat. The announcer should read the age division and weight class first, next the names of the athletes and their state/club, then the mat number, and finally the names and mat number should be repeated. It is suggested that if semi-finals are conducted, they shall be run in flights by weight class following the conclusion of all pool finals. Medal matches shall be run in flights by weight class following the conclusion of all round-robin and semi-final bouts. Championship matches shall be conducted in order on one mat. If the event is comprised of competition for more than one age group or style, an effort should be made to set off and create a finals round for the event.

AWARDS: An equal number of identical awards shall be offered in both Freestyle and Greco-Roman for each age group. Champions shall also be presented the completed wall chart and finals bout sheet. There shall be a bona fide awards presentation made following the conclusion of the championship bout in each weight class. No awards shall be distributed prior to the ceremony.

CREDENTIALS: To insure security and successful ticket sales, the Event Director and Event Coordinator shall work cooperatively in deciding a pass/credential list for the event. Credentialed personnel should include but not be limited to security, VIP’s and sponsors, media, volunteers, officials, medical, photographers, and USAW staff. Please be aware that coaches with a current USA Wrestling Coaches Card and who are NCEP Certified are entitled to free admission to USAW events and should be credentialed as so.
6 + MONTHS PRIOR TO EVENT

- Obtain all required “LOC” signatures on the event hosting AGREEMENT and return with any applicable funds to USAW’s Department of National Events. By promptly returning the completed AGREEMENT you speed up the flow of information and hence, help insure quality promotional and other support services. This translates to a better response from participants and spectators; which means a greater likelihood of a successful event!

- Secure signed lease, contract, or commitment letter from venue and housing managers.
  - Venue should be appropriate for the event being hosted. Get the most attractive facility available that allows you to place the required number of mats and seat the anticipated number of spectators. Some venues will grant a discount rate to non-profit organizations. Other venues can be secured at discounted rates if you can secure the cooperation of a group who frequently makes use of the venue, or is affiliated with the venue. Do not be afraid to ask.
  - Negotiate any housing required of the LOC pursuant to the AGREEMENT. Check with USAW’s Manager of National Events to find out what is appropriate for your event. Then investigate motels, hotels, dormitories, fraternities, armed service’s bases, YMCA’s, home stays, or other applicable housing alternatives. When considering costs, keep in mind the time and expenses involved with shuttle transportation. In the final analysis, convenience may be more critical than cost. When negotiating hotel/motel room rates you should be able to obtain a minimum one complimentary room for every 20-30 rooms booked.
  - Request to be added as an additional insured on the liability policy of the venue.

- Name the Event Director. This should be a person with strong organizational and leadership skills. Furthermore, he/she should be able to recruit motivated committee members to raise and manage money and to maintain enthusiasm. Advise USAW of the name, address, and phone numbers of this person. This position announcement could also be done prior to sixth months before the event, but no later than this time frame.

- The Event Director should carefully read this Guide and make frequent references to it. He/she should periodically customize it to fit one’s own needs, and should make copies of applicable portions for LOC members.

- The Event Director should maintain contact with USAW’s Manager of National Events, State Chairperson, and elected representatives, if applicable.
With assistance from USAW’s Manager of National Events a tentative budget should be developed. A copy of this should be mailed to USAW for input. Following is a sample event budget.

- If foreign teams are to participate, their commitment should be verified through USAW.

- With the assistance from USAW, a tentative schedule should be developed. Elected representatives, officials, weighmasters, State Chairpersons and other interested parties should be contacted for input.

- The Event Director should start building a base of support in the host community. Emphasize the positive effect the event will have on the local youth and the economic impact it will have on the community (the average participant spends approximately $60 per day when he/she stays overnight for an event). An attempt should be made to secure the early support of such community leaders as the Mayor’s office, college and school administrators, local coaches, state and regional leaders, fraternal groups, and others. When possible, follow up conversations with a short letter or note to confirm support.

- Recruit key LOC members based on their past achievements, contacts, and motivation. The following coordinating instructions will help you match job descriptions with individuals. Call an initial organizational meeting. This can be done in the form of a BBQ or luncheon to aid attendance.

The Event Coordinator will schedule pre-event meetings with the Event Director, and will have a specific agenda for the same.   - Photos of key bouts and championship finals are essential.
  - Film and/or photos must be delivered to USAW upon event completion.

- Begin efforts to secure key sponsors. Seek sponsors that can benefit in some way from association with your event. These are usually companies/organizations who sell goods or services to your participants or spectators; or those companies/organizations who are interested in an image enhancement by virtue of association with youth sports programs, international athletic events, etc. For assistance in developing a sponsorship marketing plan, please call USAW. This is a must as USAW negotiates the title to certain events, and for certain items, on a series or national basis. Following is a list of what you might have to offer a sponsor to help induce them to participate.

  - List of possible sponsor inducements
    - Recognition as an “OFFICIAL SPONSOR OF THE (NAME OF THE EVENT).”
    - Banners at venue and headquarters hotel.
    - Tent style advertising placards surrounding the championship mat, maximizing any TV and spectator exposure.
    - PA announcements at all sessions of the event.
    - VIP seating and credentials at the event and all social functions.
    - Sponsor display or product sampling booth at venue and headquarters hotel if non-competitive with USAW programs.

o Discount coupons.
o Logo or coupon on reverse of ticket.
o Photographic documentation of sponsorship.
o Presentation of gifts and /or awards for one or more weight classes.
o Logo presentation on wall charts.
o Recognition as “OFFICIAL SPONSOR OF THE XXX LBS. WEIGHT CLASS.”

3-6 MONTHS PRIOR TO EVENT

- Assign responsibilities to LOC members. Put these in writing. Give them customized versions of applicable portions of this Guide. A monthly meeting or conference call is beneficial.

- Confirm details regarding the venue, housing, or meals.

- Research all available transportation within the community and secure copies of rates, maps, schedules, etc. Check in to city, campus, and private bus lines, airport or hotel shuttles, limousine services, rental car agencies, railroads, courtesy cars, etc. Make tentative plans to accommodate the event’s needs.

- Secure from USAW the names, addresses, and phone numbers of all assigned staff. This list may include head mat and pairing officials, clinicians, weighmaster, announcers, medical officers, photographers, and USAW staff liaisons, as well as others. If you desire to have local talent perform any of these duties, please be certain to contact USAW at your earliest opportunity.

  - The United States Wrestling Officials Association (“USWOA”) makes the assignments for mat officials, pairing officials, and weighmasters. These assignments are typically made in November of the year preceding the event.
  - You may be able to secure the services of qualified announcers, photographers, or medical officers from the ranks of your local volunteer corps. This can save you considerable money as well as create greater community involvement. If you consider the cost of flying in and providing room and board for an announcer or medical officer from out of town, it may well be in your best interest to pay a
negotiated fee with the most highly respected members of your local community.

- Work through the USWOA and USAW’s state organizations to secure the commitment of an adequate number of mat and pairing officials. These volunteers are an essential part of a successful event. Since they are volunteers who will oftentimes pay their own way to your event, you may want to arrange for free or discounted housing and/or meals for them. They will appreciate your concern and come back next year with a few more of their associates to help you conduct a first-class event.

- Communicate periodically with the USAW, assigned staff, and USAW’s state organizations. This will help insure maximum participation and assistance.

- Finalize the schedule, complete with as many details as possible, and then design promotional literature such as posters, flyers, brochures, trading pins, handbills, banners, and other items.

- Seek additional sponsors to assist with specific costs. Some of the items listed in the sample budget can be reserved for this group. Some items can be granted to more than one sponsor.

- Develop a strategy for ticket sales.
  
  - Pre-event sales generate enthusiasm of the event among the LOC and community. Pre-event marketing efforts are best directed at group sales. Mass media efforts are helpful, but the most effective way to sell tickets is through phone contact with group leaders. This does not necessarily have to be done by a LOC volunteer. It may be well worth your time to employ a telemarketing firm to do this for you. Regardless, pre-event marketing programs should offer some form of discount, or other inducement such as one or more of the following: group discounts with XX number of tickets purchased prior to a given date, a free clinic or merchandise give away when XX number of tickets are purchased by a given date, etc. Contests can also be employed with the winning group(s) receiving a free clinic, free autographed posters, special T-shirts, interview session with a star, etc.
  
  - Mailing labels for selected groups are available from USAW’s Events Department. To order labels contact USAW’s Department of State Services at least 3-5 days prior to mailing
  
  - For a list of the telephone numbers of USAW member clubs, please contact USAW’s Events Department.
  
  - Lists of names, addresses, and telephone numbers of school coaches are generally available from your state high school wrestling coaches association, state high school activities or athletics associations, or
from published national directories that can be obtained from local high
schools or college athletics departments.

- If assistance is desired in determining ticket prices please call USAW.

- A promotional campaign should be developed. An example is as follows:

**SAMPLE PROMOTIONAL CAMPAIGN**

- Assign Media Coordinator at least 6 months prior to the event. See coordinating instructions for the Media Coordinators duties.
- Hold a press conference several months in advance of the event, to announce the event. This type of press conference is the most effective if held at a public gathering where most of the press is already in attendance.
- Negotiate television coverage. This **must** be coordinated with USAW’s Executive Director.
- Secure proclamations from Governor, Mayor, University President, etc.
- Get involved in local activities such as a float in a parade, a booth in a local festival; assign part of profits to charity, etc.
- Arrange pre-event interviews either in-person or over the telephone. Use noted celebrities such as top coaches, local heroes, key players, etc.
- Arrange autograph session in malls, ticket outlets, other sporting events, etc.
- Distribute complimentary tickets to those who purchase advertising in the souvenir program.
- Order Public Service Announcements or request assistance in producing Public Service Announcements from USAW.
- Order billboard, television, radio, and newspaper advertisements. Order printed tickets (including complimentary tickets).
- Organize radio call-in trivia contest with wrestling apparel and complimentary tickets as prizes.

- Prepare background information for announcers and media prior to key matches and the finals. Also listed as one of responsibilities of the Media Coordinator.
- Discuss staging of finals with the Event Coordinator, Event Director, and announcers.
- If appropriate materials are not already available, design and have printed special event letterhead, mailing envelopes,
business cards, and press release masters. These items help establish legitimacy for your event in the eyes of the community. Furthermore, if you can include a sponsor’s name or logo it demonstrates that someone is already insuring your financial success.

Note: USAW owns trademark rights on its name, symbols, logos and marks. Advertising and promotional material making use of protected names, symbols, logos, or marks must be reviewed by USAW prior to distribution. USAW may provide approved typefaces and artwork for your use, upon your request.

- Order mailing labels from USAW of all media outlets you will want to repeatedly contact as part of your promotional campaign.

- Obtain a Request to Sanction Form from USAW, complete and return it to USAW’s Events Department with the applicable funds. This MUST be done no later than 60 days prior to the event.

- With the assistance of USAW, select and order all necessary awards and gifts. Some events require the use of specific awards. For other events you may want to design something special or unique.

- USAW will have ordered all tournament paper supplies such as wall charts, bout sheets, and the like. Some events require the use of specific items; at other events you can customize these supplies. Check with USAW’s Manager of National Events to find out what you are to receive and if there are any items that you need to order.

- Negotiate TV coverage, if applicable to your AGREEMENT. This must be done in coordination with USAW’s Executive Director.

- Preliminary arrangements should be made for pancake breakfasts, pizza parties, socials, banquets, music, opening and closing ceremonies, etc.

- Order and arrange necessary facilities and accessories.
  - Lockers should be provided for all contestants. If your event is a team event, privacy from other teams should be afforded. Shower facilities should be readily available. Mat officials may require locker and shower facilities, and if so, they should be separate from contestants.
  - A room or secluded area must be reserved for the pairings officials.
  - Any meeting rooms such as those required for regional meetings or officials’ clinics should be reserved.
  - Plans should be made for pre-event training areas and equipment for athletes. This might include mats, scales, exercise bikes, masseuse, sports medicine trainer, etc.
• Any equipment suppliers should be notified with event details (expected number of contestants and spectators as well as a finalized schedule).

• A room or secluded area should be reserved for medical care and training supplies (try to contract your training equipment supplier as a sponsor).

• The floor plan showing all mats, tables, seating, concessions, scoreboards, press row, hospitality rooms, wall charts, entrances/exits, etc. should be made.

• A sufficient number of mats should be reserved. It is recommended that mats be doubled for Greco-Roman competition, if FILA approved mats are not available. FILA approved mats are required for all international events, and are recommended for at least the finals of all other events. USAW can help secure FILA approved mats. Mats are generally available from schools, clubs, and mat refinishing companies. It is further recommended that tournament finals and dual meets be conducted on a mat set on a raised platform. Most venues have the equipment and materials readily available to make this a reasonable task.

• A sufficient supply of tables is needed for medical, announcers, pairing officials, scoring, officials, press row, TV, registration, information, merchandise sales, concessions, program sales, ticket sales, etc. The pairing officials and announcers should be set on an elevated platform.

• Arrangements should be made to secure an adequate number of electronic scoring devices. These are generally available within the venue, form local schools, and from manufacturers and distributors.

• Arrangements should be made for back-up scoring and timing devices. This would include flip boards and hand-held chronometers. These are readily available from local schools and clubs.

• A warm-up area and mat must be designated for the competitors.

• A room and/or area must be reserved for the media. Press row should provide for a clear view of the competition and scoreboards. A specific area should be established for conducting interviews. The media area should include a FAX machine, telephones, typewriters, photocopier machine, Ethernet service (if available), tables, chairs, and possible secretarial help.

• Scales will be needed for the weigh-in room and for checking purposes (digital scales are preferred). Tanita is the official supplier of scales to USA Wrestling. Tanita scales are available through USAW's Manager of National Events. You must notify USAW National Events in advance to assure availability.

• Make arrangements for locked storage rooms, weigh-in room, hospitality room, location of socials, etc.

• Acquire headset or walkie-talkie devices for event director, USAW staff liaison, announcer, weighmaster, facility manager, security workers
