Attachment A

Challenge Procedure

What it is:

The challenge is a process where the coach is allowed, on behalf of the wrestlers, to stop the match and request the jury and mat chairman to watch the video if they disagree with the call by the referee team. This process will be available at USA Wrestling events that are designated for video review.

Who is on the jury?

The jury will be comprised of 1 or 2 referees that are assigned to that bout or mat during the competition.

Who will conduct the video review?

This will be completed by the jury and the mat chairman for that designated bout.

What is the process?

1. The coach must issue a request for challenge when they disagree with the decision of the referee team. This should be made from the coaching area on the mat and the coach **CANNOT** walk into the wrestling area.
2. Challenges will be requested by throwing a colored object (challenge block) onto the mat to notify the referee team. The color of the object will correspond to the color of the athlete. The challenge block should not be thrown in an aggressive manner toward the referee or athletes. Failure to follow these guidelines could result in a yellow or red card for the coach.
3. The mat chairman will indicate to the referee to stop the match to review the challenge as soon as the situation becomes neutral or there is no longer imminent scoring.
4. If the wrestler disagrees with the challenge, they can reject the challenge and resume the match. If the coach requests a challenge after the athlete has rejected the challenge, the coach could receive a yellow card.
5. Only the mat chairman and/or jury can refuse the challenge during the following situations. Challenges will not be accepted for:
 - a. Confirmed falls and/or situations where a fall was not confirmed by the referee team. Challenges can be requested for fouls that occurred that led to the fall.
 - b. Confirmed passivity.
 - c. Challenges not made in a reasonable amount of time.
 - i. **Coaches must issue the challenge within a reasonable amount of time from when the scoring action occurred or when the points went onto the scoreboard. Wrestling is dynamic and this will be at the discretion of the mat chairman and jury. IF A NATURAL STOPPAGE OCCURS IN THE MATCH AND THE CHALLENGE IS NOT OFFERED PRIOR TO RE-STARTING THE MATCH, THE CHALLENGE WILL BE DENIED.**
 - d. Challenges made after the match has ended. The only exceptions will be for when points are added to the scoreboard after the time was out or when an action occurred just before the end of the bout.
6. The video will be displayed on a big screen monitor, projector or TV if one is available for the competition. If one is not available, the jury and mat chairman can watch the video directly on the mat side computer.

7. If there is a technical problem and video is not available, the original decision will stand, and the coach will be given back the challenge block.
8. Each wrestler will be entitled 1 challenge per match.
9. If after review, the original decision is changed by the jury and mat chairman to be in favor of the wrestler who requested the challenge, then they will be granted another challenge to be used during that match.
10. If after review, the decision is confirmed by the jury and mat chairman or is not in favor of the challenging wrestler, that wrestler will lose the challenge and their opponent will be granted 1-point.
11. There are two other situations that could result in time being added back on the clock following a challenge.
 - a. If a scoring action was determined to be a slip throw by the jury. The time will be set when the slip throw occurred. Any points scored after the slip occurred will be cancelled.
 - b. If a scoring action or confirmed fall was determined to be a direct result of an offensive foul by the jury, the time will be set when the foul occurred.
12. All decisions made by the jury and mat chairman will be final and will not be changed. Therefore, it is not possible to request a counter challenge.

Consultation

Mat Chairman has ability to watch the video with referee team during a consultation without a challenge being issued. This would not include the jury. After the decision of the consultation of the referee team, the action could be challenged and be reviewed by the jury and mat chairman.

At no time can the coach request a consultation by the referee team to review the video. Using video during consultations will be at the sole discretion of the mat chairman. If the coaches want to use video review for a situation, they must use their challenge.

Fleeing the Hold and 3rd Caution

For Fleeing the Hold at the end of the match or for a 3rd Caution to be granted, only the mat chairman must confirm with either the referee or judge for this to be valid. They will no longer require a unanimous agreement for these to be assessed. This will be consistent with all the other cautions given. Both situations can be reviewed during the challenge procedure.
