RE: Addendum to the enclosed Athlete Selection Procedure Document for the Olympic Games Tokyo 2020

Overview of Changes and Rationale:

1. Amending the date and location for Olympic Trials due to a variety of factors, including current COVID-19 health and safety guidelines and to provide the ability to accommodate the number of attendees that would be allowed access to the venue. Announcements can be found at: www.teamusa.org/USA-Wrestling/Features/2021/February/11/US-Olympic-Team-Trials-to-Fort-Worth-Texas and www.teamusa.org/USA-Wrestling/Features/2021/February/08/Olympic-Trials-to-change-location
2. Amending the date of the (final) World Olympic Qualifier as announced in late-December 2020 by United World Wrestling (UWW). Announcement can be found at: unitedworldwrestling.org/article/bureau-announces-change-dates-and-locations-2021-championships-and-qualifiers
3. Adding clarification to the "Request for Delay Due to Injury or Illness," also related to ongoing circumstances resulting from the pandemic.

Sections of Athlete Selection Procedures impacted by these changes include:

1. Olympic Trials dates are referenced in Sections 1.2.1. and 1.3. (purple indicates new text)
 - 2020 U.S. Olympic Team Trials – Wrestling: [Fort Worth, TX, held on April 2-3, 2021](#) State College, PA, held on April 9-11, 2021 April 4-5, 2020.
2. UWW's final World Olympic Qualifier is referenced at the end of Section 1.3

World Olympic Games Qualifier
Sofia, Bulgaria

[May 6-9, 2021](#)
~~April 30-29 – May 2, 2021 3, 2020~~

3. Changes to Request for Delay clause are indicated in purple here and impact Part Two of Olympic Trials as outlined in Section 1.3.

Request for Delay Due to Injury or Illness

Only a 2019 World Championship Olympic weight medalist, who earned an automatic berth into the final wrestle-off, can request a delay for competing in Part Two for medical reasons at least 48 hours prior to the scheduled weigh-in time ~~(no request for delay will be allowed, or granted, with less than 48 hours before weigh-in).~~ [An exception to the 48 hours' advance notice will be made in the case of a 2019 World Championship Olympic weight medalist being removed from competition due to COVID-19 mitigation measures to include testing positive for COVID-19 or having close sustained contact with an infected individual.](#)

I acknowledge that the changes outlined in this addendum supersedes only that information within the previously published selection procedures for which these changes impact, and all other information in the published selection procedures (enclosed herein) still represents the selection method approved by USA Wrestling.

Final U.S. Olympic Trials Qualifier

March ~~2021~~ 2020

The top two (2) place finishers* in the Women's Freestyle ~~champion of this~~ event per weight category will qualify for the 2020 U.S. Olympic Team Trials – Wrestling at the weight category she chooses. Athletes who have already qualified will NOT be allowed to compete in this event.

* A true second will be contested if the 2nd and 3rd place finishers from any weight category at this event did NOT wrestle each other in the tournament (except as indicated in the following NOTE). They will wrestle one match at the end of the tournament and the winner of this match (that is, the 2nd place finisher) will qualify for the 2020 U.S. Olympic Team Trials – Wrestling.

NOTE: If the NAIA Championships and/or NCWWC is/are cancelled or is/are not held in 2021 prior to the Final U.S. Olympic Trials Qualifier, the following will apply:

- If it is determined that one or two additional athletes will qualify through the Final U.S. Olympic Trials Qualifier (bringing the total to three or four qualifiers), then a true second will not be contested.
- If it is determined that two additional athletes will qualify through the Final U.S. Olympic Trials Qualifier (bringing the total to four qualifiers), then a true fourth may be contested if the 4th and 5th place finishers from any weight category at this event did NOT wrestle each other in the tournament. They will wrestle one match at the end of the tournament and the winner of this match (that is, the 4th place finisher) will qualify for the 2020 U.S. Olympic Team Trials – Wrestling.

If, for any reason, the Final U.S. Olympic Trials Qualifier is cancelled but the 2020 U.S. Olympic Team Trials – Wrestling event is still able to be held, then whatever qualifications to trials were already secured will stand.

- 1.3. Provide a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process.

The 2020 U.S. Olympic Team will be comprised of a maximum of six athletes – one athlete within each of the six Olympic weight categories (50kg, 53kg, 57kg, 62kg, 68kg, 76kg), provided all available quota places are qualified in accordance with the UWW's Olympic Qualification System for Tokyo 2020 as outlined here:

<https://unitedworldwrestling.org/governance/olympic-games-0>

The 2020 U.S. Olympic Team will be determined based on results at the 2020 U.S. Olympic Team Trials – Wrestling as described below. An athlete is only allowed to enter one weight category at the Olympic Trials.

NOTE: An athlete who has qualified to compete in the 2020 U.S. Olympic Trials – Wrestling through any of the methods outlined above may declare any weight category she chooses to compete in at trials regardless of the weight category in which she qualified. However, should any wrestler who earned an automatic berth to the final wrestle-off/Part Two (i.e., by qualifying a quota for the 2020 Olympic Games) choose to compete at a different weight than the one in which she earned the Olympic quota, she will NOT retain the automatic berth to the finals (Part Two) in the new weight category she enters. Each athlete must declare her weight category just prior to the scheduled weigh-ins at the 2020 U.S. Olympic Team Trials – Wrestling.

Any wrestler who qualifies a quota for the 2020 Olympic Games will receive an automatic berth to the 2020 U.S. Olympic Team Trials finals, at that respective weight (Part Two best-of-three series).

- If a wrestler qualifies an Olympic quota for the 50kg weight category and chooses to move to 53kg (or vice versa), that individual will receive an automatic berth to the semifinals of the 2020 U.S. Olympic Team Trials – Wrestling (Part One).

NOTE: The above two weight categories (50kg & 53kg) are specifically noted because of the nature of them being immediately adjacent Olympic weight categories.

A 2019 Senior World Championships medalist in a non-Olympic weight category will receive an automatic berth to the semifinals of the 2020 U.S. Olympic Team Trials – Wrestling (Part One).

- A 2019 Senior World Championships medalist in a non-Olympic weight category may only move one World weight category up or down immediately adjacent to their 2019 World Championships weight in order to receive the automatic berth to the semifinals of the 2020 U.S. Olympic Team Trials – Wrestling (Part One).

2020 U.S. Olympic Team Trials – Wrestling

April 9-11, 2021 ~~4-5, 2020~~

see #1 of Addendum for new dates & location

The tournament procedures for the 2020 U.S. Olympic Team Trials – Wrestling will be posted at <http://www.teamusa.org/USA-Wrestling/Team-USA/Team-Selection-Criteria>.

Determining seeds for the 2020 U.S. Olympic Team Trials – Wrestling:

- (1) Wrestlers will be seeded by a seeding committee using the criteria below. Majority vote is classified as the majority of the total number of voting representatives present in the meeting. If a majority vote can't be reached regarding the seed to designate for a wrestler, then the vote will be taken down to the top 2 athletes receiving votes. All voting representatives present will be required to vote as there will be no abstentions allowed.
- (2) The seeding committee shall consist of one coach or representative from each of the USAW registered clubs entered in the 2020 U.S. Olympic Team Trials – Wrestling, as well as two or more athlete representatives (ensuring at least 20% athlete representation*). Individuals who are not members of a club will be represented by a member of the seeding committee designated by the President of USA Wrestling.

* Active athletes who are entered to compete in the 2020 U.S. Olympic Team Trials – Wrestling are not permitted to take part in the vote.
- (3) National Team Head Coach will vote only in the case to break a tie.

Seeding Criteria

- a. Ranked criteria to be used when voting on seeds will be limited to the following:
 - i. Head to head within the last year. The “last year” is defined as the April 2019 U.S. Open up to the ~~April 2021~~ ~~2020~~ U.S. Olympic Team Trials – Wrestling.
 1. If there is a split in matches, the last win determines the top seed.
 - ii. Common opponents within the “last year” (as defined above).
 - iii. Medalist at a United World Wrestling (UWW) calendar event within the “last year.”
 - iv. Majority vote will decide the higher seed if there are multiple medalists from UWW calendar events within the “last year.”
- b. If there is one 2019 Senior World Championships medalist in a non-Olympic weight category entering the Olympic weight category, that individual will be placed in the bottom semifinal (Part One).

- c. If there are two 2019 Senior World Championships medalists in non-Olympic weight categories entering the same Olympic weight category, the seeding committee will determine which individual will be placed in both the top and bottom semifinal (Part One).

Weight category with a wrestler who earned an Olympic Quota for the U.S.

1. Part One (of the 2020 U.S. Olympic Team Trials – Wrestling)

Part One will determine who will wrestle the athlete who earned the Olympic quota (either through the 2019 World Championships or the 2020 Pan American Olympic Qualifier) in Part Two; the athlete who earned the Olympic quota earns a bye-out of Part One, provided she is competing in the same Olympic weight category in which she qualified the Olympic quota. The finals of Part One will be a single match unless there is a delay to Part Two, in which case Part One will be the best-of-three matches. (For information regarding a delay to Part Two, see below.) All best-of-three matches occur on day #2 of the Olympic Trials.

2. Part Two (best-of-3 match final wrestle-off)

The winner of Part One will face the wrestler who earned the Olympic quota for the U.S. in a series of best-of-three matches.

Parts One and Two of the 2020 U.S. Olympic Team Trials – Wrestling will be held over two days, except when a request for delay is granted for Part Two.

Request for Delay Due to Injury or Illness

- Only a 2019 World Championships Olympic weight medalist who earned an automatic berth into the final wrestle-off can request a delay for competing in Part Two for medical reasons at least 48 hours prior to the scheduled weigh-in time (no request for delay will be allowed, or granted, with less than 48 hours before weigh-in).

See #3 of Addendum for possible exception to 48-hour rule

- The request must be submitted in writing to the Women’s Freestyle Sport Committee Chair for review, to include a written certification of the injury or illness from a USA Wrestling-approved medical doctor. USA Wrestling’s approval of a medical doctor will not be unreasonably withheld.
- If a certified medical doctor’s note is provided within the appropriate timeframe to support a 2019 World Championships Olympic weight medalist’s request for a delay, the request for a delay in competition will be granted. If a delay is granted, the Women’s Freestyle National Coach with the two athletes involved shall determine the date for conducting Part Two of the 2020 U.S. Olympic Team Trials – Wrestling. If an agreement cannot be reached by the two athletes involved then the Women’s

Freestyle Sport Committee will determine the date and place. The wrestle-off, or Part Two, must be held prior to June 30, 2021 ~~the sport entry deadline of June 5, 2020~~.

The winner of Part Two shall be USA Wrestling’s designee for the 2020 U.S. Olympic Team. However, if a delay was granted and if for any reason the 2019 World Championships Olympic weight medalist does not compete, or is not able to compete, in Part Two prior to June 30, 2021 ~~the sport entry date of June 5, 2020~~, the winner of the best-of-three matches in Part One shall be declared the winner of Part Two and will be USA Wrestling’s designee for the 2020 U.S. Olympic Team.

If the winner of Part One does not compete, or is not able to compete, in Part Two (whether or not in the case of a granted delay), the 2019 World Championships Olympic weight medalist shall be declared the winner of Part Two and will be USA Wrestling’s designee for the 2020 U.S. Olympic Team.

Figure 1: Example Bracket for Weight category with a wrestler who earned an Olympic Quota for the U.S.

Weight category does not have a wrestler who earned an Olympic Quota for the U.S.

1. Part One (of the 2020 U.S. Olympic Team Trials – Wrestling)

The finalists of Part One will compete in a best-of-three series to determine who will be USA Wrestling’s designee for the 2020 U.S. Olympic Team.

Weight category is not qualified into the 2020 Olympic Games prior to the 2020 U.S. Olympic Team Trials – Wrestling

All Olympic weight categories will be contested at the 2020 U.S. Olympic Team Trials – Wrestling, regardless of whether or not it has been qualified into the 2020 Olympic Games at that point. In this case, USA Wrestling would have to qualify the weight category at the following World Olympic Games qualifying tournament.

**World Olympic Games Qualifier
Sofia, Bulgaria**

April ~~20~~ 29 – May 2, 2021 ~~3~~, 2020
see #2 of Addendum for new dates

The winner of the 2020 U.S. Olympic Team Trials – Wrestling tournament will then compete in the World Olympic Games Qualifier. If for any reason the 2020 U.S. Olympic Team Trials – Wrestling winner is unable to compete in this last opportunity to qualify the weight category, a replacement will be determined in accordance with Section 4.1.1. In any case, if the weight category is qualified via the World Olympic Games Qualifier, the winner of the 2020 U.S. Olympic Team Trials – Wrestling will be USA Wrestling’s designee for the 2020 U.S. Olympic Team, regardless of who qualifies the weight category.

- 3.1.4. Violation of USA Wrestling's Code of Conduct (Attachment A).

If for any reason a replacement athlete is needed, the next ranked athlete at the weight category in question will be selected, up to and including the fourth-ranked athlete, from the 2020 U.S. Olympic Team Trials – Wrestling provided the replacement is substantially completing the requirements of the Olympic Team Training Camp (see Section 9 below) as determined by the National Coach.

Weight category is not qualified for the Olympic Games prior to the 2020 U.S. Olympic Team Trials – Wrestling

If for any reason a replacement athlete is needed for the World Olympic Games Qualifier listed at the end of 1.3., the next ranked athlete at the weight category in question will be selected, up to and including the fourth-ranked athlete, from the 2020 U.S. Olympic Team Trials – Wrestling provided the replacement is substantially completing the requirements of the Olympic Team Training Camp (see Section 9) as determined by the National Coach.

In consideration of Wrestler being named as a member of the National Team and of the various and respective promises set forth in this Agreement, as well as other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, USA Wrestling and Wrestler agree as follows:

USA Wrestling is the recognized national governing body for the sport of wrestling in the United States in accordance with the *Ted Stevens Olympic and Amateur Sports Act*, 36 U.S.C. 220501 *et. seq.* (the "Sports Act"). As such, USA Wrestling prescribes rules and standards for competition in the sport; provides financial and administrative assistance, training and other services and support to eligible wrestlers; generally promotes, regulates, governs and fosters wrestling in the United States; and sponsors and sanctions local, regional, sectional and national competitions, events and exhibitions in the sport.

2. USA Wrestling is a member of United World Wrestling (UWW), the international governing body of wrestling, and has agreed and is obligated to abide by the rules and regulations of UWW.

3. Wrestler is a wrestler who is eligible to compete in competitions sponsored and/or sanctioned by USA Wrestling or UWW. Wrestler has been selected to represent USA Wrestling for the term of this Agreement as a member of the USA Wrestling National Team (the "National Team") and in various programs, competitions and events sponsored and/or sanctioned by USA Wrestling and, in consideration therefore, will receive financial assistance from USA Wrestling described in this Agreement.

4. Wrestler is an independent contractor providing service to USA Wrestling on a contract basis. Nothing herein shall be construed to create an employer/employee relationship between USA Wrestling and Wrestler. Wrestler shall be responsible for withholding and payment of all applicable taxes.

A wrestler may not receive more than one base allowance.

The National Team Coach and Staff will work with each National Team wrestler prior to signing the National Team Wrestler Agreement to determine any adjustments based on commitment to the National Team training and competition plan. The athlete and Executive Director of USA Wrestling will approve and sign the National Team Wrestler Agreement.

For purposes of this Article on Base Allowance, as well as Article V on Performance and Participation Bonuses, it is understood that if Wrestler intends to maintain his or her eligibility to participate in NCAA wrestling activities (or any other wrestling activities, collegiate or otherwise, where eligibility rules may limit or prohibit Wrestler's receipt of financial benefits), then the ability of Wrestler to receive financial benefits described in this Agreement, and USA Wrestling's obligation to pay such financial benefits, may be limited or prohibited.

X. RELEASE AND GRANT OF PERMISSION: LICENSING, SPONSORSHIP, FUNDRAISING, APPEARANCES, AND PROMOTIONAL ACTIVITIES

1. **Definitions.** For the purposes of this section, the following terms have special meaning and the definitions indicate below:

“Athlete-Featuring” means an image in which a particular athlete is identifiable and prominently depicted, in the context of whatever else is depicted in the image. Such an image might depict the athlete alone or with one or more other people. When used in connection with the brand of a company, product, or service, a reasonable person may infer that the athlete endorses or is affiliated with that company, product or service.

“Team-Featuring” means an image depicting an athlete or athletes, which is not Athlete-Featuring but represents the National Team in any fashion. When used in connection with the brand of a company, product, or

service, a reasonable person may infer that USA Wrestling and/or the National Team (rather than any particular athlete) endorses or is affiliated with that company, product or service.

2. Wrestler hereby releases and grants to USA Wrestling the right to use (and to license others to use), in connection with any matter associated with promotion, publicity, media, licensing, sponsorship, fundraising, commercial ventures or other activities relating to the affairs of USA Wrestling (such matters shall hereinafter be referred to as "USA Wrestling Fundraising or Promotional Activities"), use of Wrestler's name, initials, likeness, identity, signature, facsimile and biographical sketch, as well as film, photograph or sketched image of Wrestler and/or Wrestler's wrestling performances, as a member of the National Team ("Wrestler Identifications"); provided, however, that such use is of a Team-Featuring image and not an Athlete-Featuring image unless USA Wrestling has the prior written permission of Wrestler for use of the Wrestler's Athlete-Featuring image – i.e., no such use of Wrestler Identifications may be for the purpose of any association of Wrestler, individually, with any specific products, goods or services, or for any direct or implied endorsement of any products, goods or services by Wrestler, without the prior written permission of Wrestler. USA Wrestling and its licensees shall be entitled to make such use of Wrestler Identifications in film, video, photographs, tape recording, radio, television, commercial presentation, posters, calendars or any other reproductions that are Team-Featuring. Wrestler acknowledges that footage from all USA Wrestling events is the exclusive property of USA Wrestling or any broadcast network to which USA Wrestling may grant rights therein. Duplication or use for commercial gain without the written permission of USA Wrestling is prohibited. It is understood that the release and grant of rights by Wrestler to USA Wrestling under this paragraph does not include Wrestler Contractual Agreements of Wrestler as contemplated by Article XI of this Agreement.

3. Wrestler designates USA Wrestling as the exclusive bargaining agent for all purposes contemplated in paragraph 2 of this Article X. As such, USA Wrestling shall have the right to contract, solicit or negotiate agreements for USA Wrestling Fundraising or Promotional Activities with third parties for the use of Wrestler's Identifications in the form of Team-Featuring images as a member of the National Team (such third-party agreements shall hereinafter be referred to as "USA Wrestling Contractual Agreement(s)"). Subject to applicable limitations on use of Wrestler's image, USA Wrestling Contractual Agreements may grant the contracting third party the right to state that Wrestler is a member of the National Team. Wrestler shall have no right to compensation from properly executed USA Wrestling Contractual Agreements, although USA Wrestling will exert its best efforts to gain additional benefits for Wrestler if such opportunities arise. For the avoidance of any doubt, it is understood that the designation herein does not include any bargaining authority or rights pertaining to endorsements, licensing, sponsorships, personal appearances, and business development activities by or on the part of Wrestler as an individual (i.e., not as a member of the National Team and/or for Athlete-Featuring Images of Wrestler).

4. Wrestler will participate in USA Wrestling Fundraising and Promotional Activities as reasonably determined by the National coach or USA Wrestling designated official.

5. So long as Wrestler is a member of the National Team, Wrestler will use best efforts to positively support USA Wrestling Contractual Agreements and USA Wrestling Fundraising and Promotional Activities, and will not make any private or public negative statements about such agreements, the parties thereto, or any product affected thereby. Furthermore, Wrestler will abide by all reasonable requirements of Wrestler caused by such agreements, treating all parties thereto with courtesy and respect, and not exploiting the arrangement for individual benefit to the exclusion of USA Wrestling or the National Team.

6. No use as contemplated in subparagraph 2 above shall be made which is not in conformity with the eligibility requirements of the Sports Act or the UWW, IOC or USOPC constitution, bylaws, rules or regulations.

7. The release and grant of rights given by Wrestler will continue for the term of any promotional contract which is entered into by USA Wrestling during the term of this Agreement.

8. In the event Wrestler is no longer a member of the National Team, USA Wrestling shall be entitled to leave all fundraising, promotional, advertising and commercial materials in place and will not be required to withdraw existing materials from circulation as a result of this Agreement having expired or having been terminated.

9. USA Wrestling shall indemnify, hold harmless and defend (including paying the cost of all reasonable attorney's fees) Wrestler from any and all liability, loss or damage Wrestler may suffer as a result of claims, demands,

costs, or judgments against Wrestler arising out of USA Wrestling's use of Wrestler's Identifications as contemplated by Article VIII, paragraph 2 and Article X, paragraphs 2 through 7, of this Agreement.

XI. WRESTLER CONTRACTUAL AGREEMENTS

1. It is acknowledged that Wrestler has the exclusive right to contract, solicit or negotiate sponsorships, endorsements or marketing agreements with third parties for the use of Wrestler's Identifications as an individual and for Athlete-Featuring images (such third-party agreements shall hereinafter be referred to as "Wrestler Contractual Agreements").

2. Wrestler Contractual Agreements must meet the following conditions:

- (c) A Wrestler Contractual Agreement shall not be detrimental to the image of the National Team or USA Wrestling, or place demands upon Wrestler which would seriously interfere with Wrestler's performance with the National Team or fulfillment of Wrestler's obligations under this Agreement.
- (d) Wrestler Contractual Agreements must be in compliance with any applicable requirements of the Sports Act or the UWW, IOC or USOPC constitution, bylaws, rules or regulations.
