

USAW National Coaches Education Program Facts & Figures 2009 -2010

Cultivating Leaders

Coaches Education - For over three decades, USA Wrestling National Coaches Education (NCEP) has been a leader in developing quality coaches in all levels. USA Wrestling has invested in the program, with a staff position of national coaching education manager to oversee it. The NCEP has been successfully certifying and increasing number of coaches at all levels.

Ensuring Quality - In order to insure young wrestlers receive high quality coaching, with basic knowledge of strategies and skills, there are *certification* requirements for coaches to coach at age-group regional & national events.

Level of Certification - Copper, Bronze, Silver and Gold.
