USA WRESTLING SAFE SPORT POLICY

The mission of USA Wrestling, as guided by the Olympic Spirit, is to provide quality opportunities for its members to achieve their full human and athletic potential. Our goal is to encourage participation and the pursuit of excellence in all aspects of wrestling. USA Wrestling has long had systems in place to protect its participants from physical abuse, sexual abuse and other types of abuse and misconduct that can be harmful to youth athletes and other participants. The safety of its athletes, coaches, and volunteers is of paramount importance to USA Wrestling. This includes both on-mat and off-mat safety.

Conduct that is prohibited or regulated by the USA Wrestling Rule Book and Guide To Wrestling (e.g., illegal moves, brutality incidents, yelling at an official or opponent, and complaints related to officiating etc.), are not intended to be covered by the Safe Sport Program policies and are instead to be addressed and/or penalized under the USA Wrestling Rule Book and Guide To Wrestling, and other Codes of Conduct or Ethics.

[USA Wrestling's Safe Sport Policy and this Safe Sport Handbook](#) address off-mat safety in any part of USA Wrestling's programs. This Handbook includes the various Policies that apply to all USA Wrestling Member Programs. It further includes (1) the available resources and required Training of USA Wrestling, and its Member Programs', employees, volunteers, administrators, coaches, parents and athletes on recognizing and reducing circumstances for potential misconduct to occur; (2) information on USA Wrestling's Screening and Background Check Program; (3) the availability and procedures for any person to Report suspected abuse or misconduct (including protections from any retaliation or repercussions for such reporting); (4) the procedures and means by which USA Wrestling and its Member Programs should Respond to allegations of abuse and misconduct; and (5) how USA Wrestling and its Member Programs will Monitor and Supervise this program to help ensure its effectiveness.

USA Wrestling is committed to creating the safest possible environment for participation in wrestling. We pledge to protect, support, and empower our athletes through this Safe Sport Program. USA Wrestling grants the privilege of membership to individuals and Member Programs committed to its mission. The privilege of membership may, therefore, be withdrawn or denied by USA Wrestling at any time where USA Wrestling determines that a member or prospective member's conduct is inconsistent with the mission of the organization or the best interest of the sport and those who participate in it.
